BOARD OF EDUCATION MEETS.

The first Board of Education meeting held for several weeks convened yesterday. Those present were Superintendent Atkinson, Mrs. W. W. Hall, Mrs. E. W. Jordan, H. M. von Holt, Dr. Rodgers, and T. H. Gibson.
A letter was read from Principal M. M. Scott, recommending an extension of the post graduate course of study. He would add commercial bookkeeping, stenography, etc. No action was taken pending the appropriations of the Legislature.
The board abolished a Hilo school yesterday attended by fifty pupils. These students will be accommodated at the Union public school. This action was taken because of a demand of \$25 per month ground rent by a foreign church for the site. The building was erected by the Board some years ago. Wm. McClusky, principal of the abolished school, has been transferred to the Union school and a high school course will be added.
The school authorities have been asked to send an educational exhibit to the Buffalo Exposition. Mr. Atkinson has written to W. F. Harris, U. S. Commissioner asking him to arrange for space for a Hawaiian educational exhibit.

CRICKET GAME.

The cricket game between the Honolulu and the men from the Warspite yesterday, resulted in a draw through lack of time. At the close of the game, the Warspite men were far ahead and, had they closed their innings earlier, would have undoubtedly won with ease.
The tars scored 148 runs with only eight wickets down, by the time they closed their innings. Of these runs, Le Fauer was responsible for 43, and Glennie for 48.
The Honolulu team, which had been strong in the field, now went to pieces at the wickets and, by the time stumps were pulled, had scored only 29 runs with six wickets down.
Harvey did good bowling for the home team while Woodward carried off the palm for the visitors.
